#### Family Trips to Las Vegas

Even with its new tagline -- you know it -- [Las Vegas](#) works hard to make families feel welcome and comfortable. A diversity of activities including live animal shows and a giant midway appeal to little kids and the futuristic Star Trek experience captivates teens. Spend a little extra on bringing a babysitter along, and you can keep the kids happy while getting some casino time in, too.

#### [Circus, Circus](#)

A five-acre indoor theme park that includes a midway with games and activities, and the world's largest permanent circus puts Circus, Circus at the top of the list for families traveling to [Las Vegas](#). Book a Manor Room at the hotel and you'll enjoy family-friendly perks such as a refrigerator, and cable television with access to movies kids enjoy.

#### [MGM Grand Las Vegas](#)

Visitors to MGM Grand Las Vegas enjoy an M&M experience -- the four-story retail center at the [MGM Grand](#) might seem like a cute side-trip for adults, but to children the right age it is nothing short of a dream come true. The scent of chocolate backed up by giant, colorful bins teeming with the melt-in-your-mouth candy is well worth the visit. [MGM Grand](#) also invites visitors on a quick side-trip to its 8.5-acre ranch and lion habitat. Here, you'll find the majestic creatures -- among them, progeny of MGM's first and most famous roaring lion.

#### [Las Vegas Hilton](#)

Kids interested in science fiction want to stay at the [Las Vegas Hilton](#) to have immediate access to Star Trek: The Experience, a massive homage to the mega blockbuster television and film series. Here, you can interact in the 24th century, take the Klingon Encounter Ride, or get caught up in the ultra-techie Borg Invasion 4D. Afterwards, dine at Quark's Bar & Restaurant and shop for an overwhelming plethora of Star Trek memorabilia. The Hilton also features family-friendly suites, but often encourages families to book an extra room for the kids by offering pricing incentives.

### Beyond Vegas

#### [Mohegan Sun Casino, Connecticut](#)

Nestled into the Connecticut Wilderness, Mohegan Sun Casino comfortably combines casino and resort features to create a diverse experience. Generously-sized rooms and suites, a large pool, world-class entertainment and an on-site spa give visitors plenty to do, and the relaxed Connecticut countryside makes this an ideal spot for hiking - or just taking a long walk on the resort's golf course.

#### [Ho-Chunk Hotel & Casino, Wisconsin](#)

The family-friendly [Wisconsin Dells](#) opens a wide world of activities to kids. Water parks, water sports, and outdoor activities - particularly throughout the summer - make this a vast playground that accommodates adventuresome families. The [Ho-Chunk Hotel & Casino](#) welcomes families, serving as a great home base from which to explore the Wisconsin Dells by day and relax at night.

#### [Hyatt Regency Lake Tahoe Hotel, Resort, Spa and Casino, California](#)

For an experience indoors and out, and a memorable place to take kids, tweens and teens, check into the [Hyatt Regency Lake Tahoe Hotel, Resort, Spa and Casino](#). During the winter, take advantage of nearby ski

Parents are required to accompany younger children.

[Soaring Eagle Casino & Resort, Michigan](#)
